"We had a great wedding, but having Guilty Pleasure really topped it off!! Truth be told, we did all of our band research online, risky we know! But, after watching video clips upon video clips of various bands, we came across Guilty Pleasure and it was an obvious choice for us. They are just as great, even better, live. From the get-go, Chris was readily available and easy to talk to. He worked with us to plan out every detail patiently and delivered to perfection. The band learned two songs for us, including our first dance, had seamless transitions and really kept the flow of the night for us. They were well priced, and they had guests of ALL ages dancing ALL night - which was so fulfilling for us. The band members are classy, fun, and blend well together. Without hesitation, we highly recommend Guilty Pleasure for your wedding or other party!"

Nairi & Greg Norigan - Hyatt Regency - Cambridge, MA.

"We LOVED having Guilty Pleasure at our wedding! Thank you again, for making it an absolutely incredible night!! You truly did bring down the house, just as you promised ..LOL!! EVERYONE was up dancing the whole night. It could not have been more perfect."

Benjamin & Michelle Doyle - German / American Club - Walpole, MA.

"My husband and I were so thrilled that we had Guilty Pleasure as our wedding band! We're incredibly picky about music and we found the Guilty Pleasure website on our search for a great wedding band. We were able to see them play in East Greenwich, RI and absolutely love them. We booked them for our wedding the next day! They were also incredibly helpful throughout the planning process. Their song list is extensive and has something for everyone, and they even learned two songs to play during our reception! They made sure to play a variety of music that kept everyone on the dance floor. We got a lot of compliments about how fun they were. We highly recommend them to anyone looking for a fun dance band at a great price!"

Alex & Jen McCormick - Meadowbrook Inn - Charlestown, RI.

"Guilty Pleasure will have you dancing all night. If you want an unforgettable wedding..trust me.. this is the band for it! They have a broad song playlist and can play almost anything new or old, even taking some requests from our wedding party. When you're busy and stressed planning a wedding, and dealing with other vendors, they were a breeze to work with. This band truly is a PLEASURE and we highly recommend them to anyone."

"I had a great experience with Guilty Pleasure band, from the time I booked them, to picking out songs with their bandleader, Chris, to the last song they played at our reception. It was also really convenient that they have shows often at local restaurants and clubs (in MA, RI, and CT), so my fiancé and I were able to go see them play so we knew they were right for our wedding. Every song they played sounded fantastic! I was concerned that the 7 piece band would be too loud because the venue was a little on the small side, but they were perfect. They had a great song list featuring a lot of modern dance songs as well as the classics. They even learned 2 new songs for our specialty dances, and sounded amazing! The lead singer acted as our Emcee and did a great job with introductions and announcing our different "events" throughout the night. I also booked their keyboardist to play for my cocktail hour, and he did a great job as well! I have never been to a wedding where the dance floor was Soooo packed!!! Everyone commented how much fun the band was. I couldn't have been happier that I chose Guilty Pleasure for my wedding band! Best price that I found when compared to other 7 piece bands in the Boston area."

Steven & Michelle McLee - Mystic Yachting Center - Mystic,CT.

"These guys were the best!! The sound was fantastic, their energy was great, and our dance floor was full from the minute they started playing all the way until the last song. Chris was both responsive and proactive in helping plan out the details for the reception, and really made us feel comfortable leading up to our day. Cannot say enough good things about the band! They played everything from rock to pop, to soul and R&B. Everyone loved them. Thanks guys!!"

Mark & Tricia Lannigan - Boston Public Library - Boston,MA.

"We can't thank you enough for all you did for our wedding. From our endless phone conversations trying to get all our song choices & schedule just right, you were so patient, supportive and professional. The guests were blown away by the sound & style of the band. You learned our first & last dance songs, and performed them so honestly..it was Epic!! We're so glad we hired Guilty Pleasure for our wedding. We highly recommend you to everyone!"

Noah & Kyla Cohen - Maritime Center - Gloucester,MA.

Our Experience with Guilty Pleasure was top notch. Chris the bandleader uses his experience to make sure everything is perfect, from your initial phone call until the last amp is loaded onto the van at the end. They have an incredibly deep catalogue to perform from, and are masterful throughout. We heard from so many guests at our wedding how great the band was, and how much of a difference a live band makes compared to a DJ. I would highly recommend Guilty Pleasure to anyone and book them again without hesitation!

Joe & Brittney Kirby - Renaissance Hotel - Patriot Place - Foxboro,MA.

"Once I saw Guilty Pleasure live at a local club... WOW!! ..Their energy, their musicality, their ability to get the crowd dancing.. we knew we had to hire this band! Almost two months after our wedding, we are still getting compliments about how great this band was. Some of our friends who have been to dozens of weddings (some of which had those \$8k+ bands) say it was the best wedding band they've heard. Our guests were dancing the whole night, and Guilty Pleasure played the PERFECT assortment, from Motown to Bruno Mars. There was something for everyone. I also had two of the band members play at cocktail hour before the reception,even the "background music" got rave reviews. Hiring this band for our wedding was one of the best decisions my husband and I made."

"Guilty Pleasure Band was amazing. They learned three songs for us and were very responsive to our vision. The bandleader Chris was easy to talk to and make arrangements with. We were planning our wedding from across the country so we had a three hour time difference but he was always flexible and understanding. They have such a classy band, the music was incredible and they did an amazing job. Our guests danced the whole evening, just as the band had promised, and our guests raved about the music! They assessed the crowd and played songs accordingly. They're truly a great band and were a wonderful vendor to work with. We would highly recommend them to anyone getting married!"

Randy & Brittini Apuzzo - Rehoboth,MA.

"Guilty Pleasure was perfect for our wedding. They were incredibly helpful in the planning when they helped my fiance choose our final music for certain parts of the reception when we couldn't decide and they let us customize our night to fit our vision. They had a great array of music that kept everyone from my boss to my aunt to our best friends happy and dancing all night. One member even provided our ceremony music and two of their members provided cocktail music, which made our day that much more special."

Aaron & Emily Ladd - Fairmount Copley - Boston,MA.

"If you want your guests to dance all night, HIRE THIS BAND!! We were so happy to have Guilty Pleasure as our band of choice for our wedding! The bandleader (Chris) was great during all aspects of the planning. He was easy going, had great suggestions and was always super quick to answer any questions we had. Their song list included all the songs we wanted and they even learned a custom intro & song for us!! They were also able to adjust on the fly to whatever our guests requested. Everyone danced all night and even cheered for "One More Song" when our reception was ending (which of course they accommodated). A key part to the success of the evening was the music from Guilty Pleasure! Our guests can't stop talking about how great it was! We would highly recommend Guilty Pleasure for your wedding.... it was worth every penny!!!!"

Mark & Erin Zuffrante - Sandwich,MA.

Chris, you were very professional and accommodating in helping us with our song choices and scheduling. The band exceeded all our expectations and did such a great job on all our song choices. They're Awesome!!"

Michael & Meaghan Castro - Newport,RI.

"Thank you so much for making our wedding so fantastic. Everyone is still raving about the band. Your energy, ability to keep with the flow of the party and of course your music was sensational. As I requested, you kept the party on the dance floor ALL night! Thank you also for learning our last dance and having my cousin Jeff's wife Danielle sing with you all. The entire family loved hearing her sing once again and it was an incredible way to end the night!"

Beth & Michael Nelson - Holyoke,MA.

"Guilty Pleasure helped to solidify the perfect wedding day that my husband and I were hoping for. From the moment he first saw and heard them play we knew we HAD to have them at our wedding. Chris was so easy to work with in preparing for the big day. He has a great personality and attention to detail which really put my mind at ease and helped me trust that things would flow perfectly once the day arrived. We didn't think it was even possible, but the music the day of the wedding was spectacular!!! All our guests loved the music, array of instruments and the dancing didn't stop until the night ended. The singing was absolutely beautiful and the lead vocalists sang moving performances to make those romantic dances all the more special. Guilty Pleasure made our wedding day amazing, they stood out, yet never stole the thunder from my husband and I. If anyone is ever looking for a band for any type of event I would highly recommend you."

Valerie & Marc Welch - Nashua,NH.

"We had a great time and the night seemed to fly by.. because we were on the dance floor for most of it! The band kept it upbeat and grooved all night. Many of our guests said it was the best wedding reception they had been to in a long time. It was truly a great celebration.. thanks to you guys."

Jeff & Allison Conelius - Biltmore Hotel – Providence,RI.

"Guilty Pleasure was just terrific..you helped make Emily and Seth's wedding just perfect! The music was great, and the band really helped pace the whole evening. I can't say enough good things. "Guilty Pleasure "We had to write to thank you for your exceptional performance at our wedding reception! Our search for the perfect wedding band ended when we booked Guilty Pleasure almost a year ago! We had seen tons of cheesy wedding bands without any soul or the ability to make people really FEEL the music. When we first heard your band, we both were up out of our seats dancing. Obviously, our wedding guests felt the same as they were all packed on the dance floor for EVERY song!!! We really believe that a band can make or break a reception, and we want to thank you for making ours the most memorable party we could have ever hoped for! We highly recommend them!!"

Jessica & Chris Gallagher - Hyannis,MA.

"After having seen the band perform on numerous occasions.. we knew the quality of music was going to be spectacular..but the band exceeded our already high expectations! The sounds, blends, and vocals were all top notch! I also have to give so much respect and thanks to Guilty Pleasure for learning and performing our wedding song. It was one of the best decisions I've ever made...not only did they do an incredible job..but the sound from the band sounded like the album!! In fact, it sounded BETTER than the album!! We were both incredibly impressed and it only got better from there! The dinner set was incredibly well put together and the mood was perfect for the big day. In terms of the song selection, this band GETS IT! They understand what the crowd needs, they accommodated requests, and spanned the ages with songs ranging from Motown, R&B, and top 40. They have an incredible range. The bandleader Chris accommodated our time constraints due to a late start and even extended the dancing segment of the night, and he was a pleasure to work with. Their lead singer was an incredible emcee for the night, he made the entire reception incredibly personal, and did a brilliant job getting the crowd into the party! We still have friends and family who continue telling us how wonderful the band was! We can't wait for your next performance. With much love and praise!"

Ralph & Kimberly Tavares - Foxwoods Pequot Museum – Ledyard,CT.

"Hi there! I was a bridesmaid at Ralphie's wedding yesterday, and I just HAD to send you a quick note to tell you how much I enjoyed hearing you guys!! I was just blown away by how great Guilty Pleasure is, that was the most fun I've EVER had at a wedding. Not everyone has live music at weddings, and it makes ALL the difference..Incredibly impressive, all around! I will surely be calling you up for my wedding...Thanks!!"

Emily Letourneau (Bridesmaid – Tavares wedding) – Ledyard,CT.

"We wanted to send you and the whole band a huge THANK YOU for the amazing entertainment you provided at our wedding at the Peabody Essex Museum. We knew you would be great, but you really exceeded all of our expectations. Between the fun party songs and the slower songs...I think it's safe to say that you blew everyone away! We don't think we've ever seen our friends and families have more fun than they had dancing the night away...we all had a blast! Thanks so much for playing such a big part in making everyone have a fabulous time at the wedding."

"I just wanted you all to know how much we appreciated your band at our wedding. Everywhere we go, whenever we see any of our guests that were at our wedding, the first thing they say is.. "Where did you find that band?..they were so great!" It's always a topic of conversation & why we truly believe our wedding wouldn't have been as special without your band! Being a wedding photographer myself I see & work with bands at receptions all the time...but I knew after having seen Guilty Pleasure ..that was the band we wanted!. Teresa and I danced so much that night.. I think we danced to every song.. it felt as though we never sat down ..ha..ha! Thanks again so much"..
